

INSTRUCTIONS: POPCB1

Tabletop Display

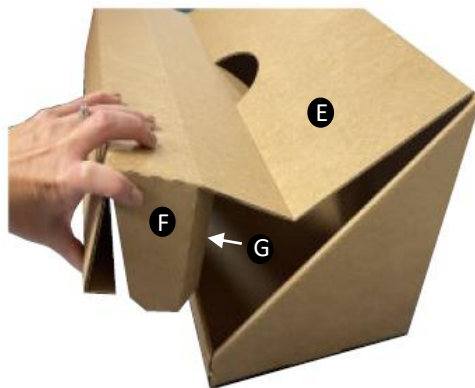

1. Fold display in half. Fold side flaps (A) inward then wrap wing (B) overtop flap (A) and slide tabs into slots.

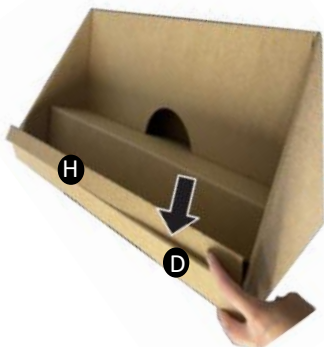

2. Fold small flaps (C) towards center.

3. Roll front panel (D) overtop small flaps (C) and slide tabs into slots to form front lip.

4. Pull back panel (E) over, while folding side flaps (F) and (G) and bringing them inward. Roll side flaps (F) and (G) under at fold to form shelf and push toward back, bottom corner of display.

5. Fold front flap (H) down and tuck behind front panel (D).

6. Fill display with product.
